# TERMS & CONDITIONS OF SALE - Valid for CAN Purchases only

## GENERAL INFORMATION, TERMS AND CONDITIONS OF SALE:

This documents is effective March 1<sup>st</sup> 2009 and supersedes all previous emuamericas, llc Terms and Conditions of Sale. Published list prices, and terms and conditions of sale are exclusively offered to Contract/Commercial use customers. All sales to private (home use) and retail customers are to be handled by EMU USA Inc. Phone #: 888-502-5749 or visit [www.emu.it](http://www.emu.it)

**PRODUCT INFORMATION:** Visit our website at [www.emuamericas.com](http://www.emuamericas.com) for product specifications, installation images, and the directory of our sales representatives. All dimensions and weights shown are to be considered approximate. EMU Group S.p.A and emuamericas, llc reserve the right to make improvements to its product design, and discontinue products or finish colors without prior notice.

**COLOR FINISHES:** A majority of our product line is e-coated for outdoor use, followed by a powder coat. E-coat is the superior priming process used by EMU on steel outdoor furniture. Some woods are not suitable for outdoor use, see product details for information. Wood is a natural product and subject to color variation and we cannot be held responsible for this difference in finish with our wood products. Please note that all finishes on our marketing materials and website are approximate due to the variation in color monitors and the processes of photography and printing. Our custom RAL color program is finished in PA per the customer's selection and is considered a special order item, even if available as a quick ship item.

**AVAILABILITY:** Refer to the finish column in the price list for the availability of the product. Quick ship product, depending on quantity, has a maximum lead time of 6 weeks. Please allow 10-12 weeks lead time for special order items, excluding holidays or factory shutdowns. We always recommend inquiring about the availability and lead time of quick ship stock and special order items. QS items cannot be reserved unless a deposit is received.

**ASSEMBLY:** Some products require assembly; please refer to the instructions included with item packaging. emuamericas, llc offers professional installation thru a 3<sup>rd</sup> party service. Please inquire about rates.

**MAINTENANCE:** As with any equipment, periodic maintenance is necessary to ensure longevity of the product and customer satisfaction. NOTE: warranty may be voided if proper maintenance is not followed. We recommend that the products be examined every 30 days. To prevent the product from becoming unstable:

- o Loose screws should be tightened as required
- o Missing or worn out foot caps must be replaced

Items requiring adjustments or showing any sign of structural failure should be taken out of service immediately until the required adjustments are completed.

Metal frames/items should be cleaned with warm water and non-abrasive cleaner using a cloth; NO power washing. Product near salt water should be washed daily in order to avoid salt deposits on frames which will eventually corrode the product.

Teak is a natural product and will gray over time; to maintain its original color it should be treated as necessary with teak cleaner, followed by a teak varnish.

For storage, all furniture should be stored neatly; stacked to suggested height and packed in a clean and dry area. Tables should not be stacked. When chairs are stacked, the stack should not be dragged. Stackable chairs should not be dropped or slammed down when being unstacked. People should not rock backwards or stand on any emuamericas' items.

**PARTS/HARDWARE:** We make available all parts and hardware for the current product line at minimal cost. Please inquire about touch-up paint availability. emuamericas, llc provides a professional parts replacement program thru a 3<sup>rd</sup> party service. Please inquire about rates.

**SAMPLES:** Samples may be purchased at a quantity of not more than one piece per model at a time. Certain items, umbrellas & bases, cushions and site furniture are not available for samples. For full details, request our sample policy.

**PRICING:** All prices published are "LIST" (unless otherwise noted) price in CAN\$ per single unit; duty, brokerage and entry are included, does not include GST or HST. FOB Lebanon, PA 17042 Distribution Center and does not include shipping costs, taxes or installation. Discounts are provided by your local representative. Due to frequent international monetary fluctuations, we reserve the right to change prices without notice.

**MINIMUM ORDER:** Minimum order is CAN\$ 1000 NET or CAN\$ 75 NET fee will apply, n/a to parts and samples.

**BREAK PACK:** A CAN\$ 25 NET break charge will be incurred for any broken master pack on quick ship items, excluding sample orders. Special order items must be purchased by the master pack quantity.

Purchase Orders must be complete including: required on site date, ship to address, shipping instructions and contact name and phone number of receiver. Orders must be approved by the credit department before being confirmed. Order acceptance will be made in the form of an Order Confirmation with an estimated ship date assigned and lead times/estimated warehouse arrivals (EWA) listed after each line item if applicable. Order Confirmations need to be reviewed for corrections immediately upon receipt; emuamericas, llc will not be held responsible for any errors or missing information on order confirmation. Orders are shipped at earliest 48 hours from order confirmation date. Invoices are faxed, mailed or e-mailed with tracking information the day of shipment.

**ORDER REVISIONS/CANCELLATIONS:** All order revisions and cancellations must be submitted to our corporate office in writing 2 business days prior to the estimated ship date on the order confirmation. Please note that if a shipment has left the warehouse and a revision or cancellation is received, the customer is liable for additional storage charges and freight costs.
